

2022-2023

Direct Drive Campaign

Queen Mary Elementary School

Dear Queen Mary Community,

Each year, the Queen Mary Parent Advisory Council (PAC) raises funds to provide educational and school enhancements above and beyond what is provided by the Vancouver School Board. Our goal is to provide our children with a rich, engaging education and environment, and support our teachers and support staff in doing so.

The Direct Drive is our major source of funding. 100% of the funds donated go directly to benefit the students at Queen Mary Elementary. **We would like to ask that each family consider donating \$75 per child**, although we recognize that each family has a unique financial situation and this amount may not be possible. However, each dollar amount counts and any amount that you can contribute is highly appreciated.

Our goal for 2023 is \$23,000

This school year, the wish list from the teachers and PAC are for (in some cases, prices are approximate):

Wobble Stools (1 per classroom)	\$2350
Levelled books for home reading	\$2000
Specialized art supplies	\$1500
Light table	\$300
New high jump mat for physical education	\$7560
Install long jump pit	\$2100
30 ukuleles and 15 ukulele tuners	\$1800
Arts & Culture or Science programming	\$5000
Planting materials for outdoor cement planters	\$1000
