

Queen Mary Direct Drive Spring 2024

Dear Queen Mary Community,

A key role of the Queen Mary Parent Advisory Council (PAC) is fundraising to provide school enhancements above-and-beyond what is provided by the Vancouver School Board. Principal Elyssa Derban has informed us of a need for upgraded technology equipment for our classrooms and as a result we have updated our Direct Drive.

Our goal is to raise at least \$25,000 by June 15 to purchase the following list of items which will put technology directly in students' hands, as early as this school year.

- **10-20 new iPads (+ cases) for use by K-7 to add to inventory & replace damaged units (approx. \$700 each)**
- **15-20 new Dell laptops for intermediate students (approx. \$700 each)**
- **1 ViewBoard touch monitor for the school library (approx. \$3,200)**
- **1 BenQ short throw projector, plus install, for classroom (approx. \$3,000)**
- **10-15 iPad Bluetooth keyboards to increase intermediate student access to typing (approx. \$170 each)**
- **1 portable Bluetooth PA system for Friday Fitness and outdoor events (approx. \$2,500)**

Note: As fundraising dollars come in, Principal Derban will begin purchasing technology items for the school so that some items can be utilized by students as soon as possible. The order in which items are purchased will be at Principal Derban's discretion.

We ask that each family consider donating \$75 per child - although every dollar counts and any amount that you can contribute is highly appreciated.

Queen Mary's current technology supply - including laptops, projectors, and iPads - is very lacking due to many of our devices aging out at the same time. While Queen Mary does have a small annual budget for technology, that money has already been spent on other essential technology items. Current school funds aren't sufficient to enable Queen Mary to upgrade and replace all the above listed items in a timely manner.

"Having up-to-date technology at Queen Mary, including projectors in each classroom and full sets of working ipads and laptops, will enable our teachers to spend more time teaching and less time 'troubleshooting.' These technology enhancements will benefit students from kindergarten to grade 7 and give our students the best learning opportunities, provide increased opportunities for students to learn at their own pace, and help prepare them for their future careers."

Queen Mary Direct Drive Spring 2024

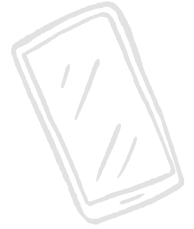

亲爱的Queen Mary 家长，

Queen Mary 学校家长委员会的主要职能之一是通过募捐为学校提供温哥华教育局不能覆盖的升级需求。我们的目标是 6 月 15 日之前达到**\$25,000**，用来购买学生上手使用的设备，最早可以本学年就购入。

校长爱丽莎·德尔班已经提供了学校班级技术升级的需求。清单如下：

- 10-20 台**幼儿园至 7 年级**学生使用的新的苹果平板（含平板套），增加库存并且替换坏件（约**\$700/台**）
- **15-20**台新的中年级学生使用的戴尔电脑（约**\$700/台**）
- **1**台 **ViewBoard** 牌学校图书馆用的触摸显示屏（约**\$3,200**）
- **1**台教室用明基短焦投影仪（含安装，约**\$3,000**）
- **10-15**台苹果平板蓝牙键盘，用于增加中年级学生打字机会（约**\$170/台**）
- **1**台可携带蓝牙公放系统用于周五健身和户外活动（约**\$2,500**）

备注：随着捐款资金陆续到位，德尔班校长将开始购买相关设备，这样学生可以尽早用。校长将决定购买的先后顺序。

我们恳请每个家庭考虑为每个孩子捐款 \$75—当然，我们感恩任何金额的捐款。

由于学校目前的**笔记本电脑**，投影仪和苹果平板老化，技术设备相当匮乏。学校有小部分预算用于技术设备，并已经投入其他设备使用。现在的学校资金不足以及及时升级和替换上述清单的所有需求。

“正如校长爱丽莎·德尔班所言：“如果我们学校拥有更前端的设备，包括每个教室的投影仪和全套工作平板和**笔记本**，能够让教师们花更多时间教学，更少时间在解决问题上。这些技术升级将让**幼儿园到 7 年级**的学生受益。我们的学生将会因此拥有最好的学习机会，根据自己的进度学习，为未来做好准备。”
