

As we come to the end of a fantastic 2018/2019 school year, we are so grateful for all the wonderful opportunities our children have had socially, educationally, through physical activities and athletics. We are now thinking ahead to 2019/2020 and it takes the co-operation of many parents, guardians, teachers and staff to make our school and school community as great as it is. We are now reaching out to all parents and guardians to see if they can commit some time to help next year.

We have vacancies on the PAC Executive that need to be filled for our PAC to run smoothly and successfully. Without our PAC executive we have no means for collaboratively and collectively advocating for our children with the school or school district. We also will not get our gaming funds of about \$6,400. Please put your name, phone number and email below if you are interested in joining the PAC executive and return to the office by June 11<sup>th</sup>. It is a 2-3 hour per month commitment and really helps the kids! We need at least 4 additional parents to join.

Throughout the years the school and school PAC have other events and activities that need support. At this time we are looking for two co-ordinators for each of the following events. Some already have one, however if you would like to take on this job or work together with someone else to do it please fill your name and email in the space provided and return this to the school by June 21<sup>st</sup>.
